

# Cogsdale Acquires U-LINC®

CHARLOTTETOWN, PEI, May 30, 2017 – Cogsdale Corporation (“Cogsdale”) announced today that it has acquired the U-LINC Workflow product from Integrity Data. U-LINC adds comprehensive, flexible workflow notifications to the Cogsdale solution. U-LINC requires minimal configuration, yet easily automates business processes, creating real-time notifications within Cogsdale’s ERP solution.

Terry Ridyard, Executive Vice-President of Cogsdale commented: “The acquisition of U-LINC will allow Cogsdale to expand our offerings in the market place and allow us more control over the product direction and functionality of U-LINC. Cogsdale has been one of the leading resellers of U-LINC and we look forward to supporting and building this product for our clients and the resellers that have worked with the product in the past.”

Patrick Doolin, President and CEO of Integrity Data: “We are excited that Cogsdale, one of our premier business partners, will not only continue to maintain but also expand the capabilities and services of U-LINC to all current and future partners and customers.”

## About Cogsdale

Cogsdale has been delivering power billing and financial management systems to public sector clients for twenty years. The Cogsdale solution offers a best-in-class customer information system on an integrated platform that also includes; financials, distribution, utility billing, customer management, work management, project management, procurement, and more. Cogsdale extends the solution to include functionality such as; interactive voice response, digital imaging, payment kiosks and online credit checks.

## About Integrity Data

Integrity Data is a leader in the application of technology to improve business processes around payroll processing and human capital management. Headquartered in Lincoln, IL, and celebrating 20 years in business, Integrity Data serves over 8000 organizations worldwide. From small businesses to some of the largest and fastest growing organizations, Integrity Data strives to ensure that their most valuable asset, their employees, are paid accurately and efficiently.
